Resolutions of Respect to The Memory of Our Deceased Friend, G. L. Bandy, Who Died July 14, 1912.

The silver chord has loosened and the golden bowl broken, the dust has returned to the earth and the spirit of God who gave it. The angel of death made a call at the door of our camp, and the recording angel wrote: "Well done, thy good and faithful servant enter thou into the joys of thy Lord forever!"

Therefore, be it resolved, that we point with pride to his noble character and his clean Christian life, and that we emulate his integrity and his devotion to every duty devolving upon him as a man and Woodman. May we also live that when the summons comes to us we may join him in the Head Camp above where we all expect to arrive when the summons comes.

Be it further resolved, that in his death this camp has lost a true and faithful servant, the church a devoted Christian, his family a loving husband and father, and the community a good citizen.

Be it further resolved, that this camp extends its heartfelt sympathy to the family and friends in their sad bereavement, and that a copy of these resolutions be spread on the minutes, a copy sent to each of our county papers for publication and a copy sent to the
